- ★ 1019 is the top-ranked cow in the Angus breed for the valuable combination of IMF and Ribeye EPD.
- ★ 1019 daughters serve as donors in some of the breed's prominent breeding programs, and her sons serve at Select Sires, ABS Global and numerous registered herds.
- ★ 1019 consistently transmits her ideal phenotype and has a powerful scan record of 39 progeny at a 113 average IMF and 105 average Ribeye.
- ★ In the quest for multiple trait excellence, 1019 is truly a breed leader.

**1019's daughters and granddaughters will be a feature of our
