News Flash

Kaboom sired the \$160,000 top-selling bull at Connealy Angus, March 25, 2006, selling to Sitz Angus, TC Ranch, Clay White Ranches and Genex. Kaboom also sired 3 of the top 10 high sellers.

Kaboom has established himself as a consistent sire of high growth and attractive type with good end product merit, scrotal traits and dispositions. Kaboom also offers a unique pedigree and is from one of the breed's premier herd sire producing cow families that has also produced Frontline, New Frontier, Coalition and Newsline. Kaboom ranks in the top 1% of current sires for yearling weight, \$B and feedlot value with top 15% ribeye and scrotal circumference combined with a modest 2.5 Birth Weight EPD. Kaboom's sons have been the dominant sire group at Baldridge Bros. for the past 3 years. Semen is now available on a first-come, first-served basis through Angus Semen Service.
